What is The Prospects Package?

We evaluate the whole goalie using proprietary methods, looking at not just on-ice performance, but the entire package of what makes elite goalies great.

- **9 Hours** Dedicated Evaluation Ice Time that is then edited into one 5-10 minute personalized video.
- **6 Hours** Off Ice Goaltender Evaluation Includes proprietary vision and visual processing and recognition testing, goaltender-specific flexibility, strength and athleticism testing. At the end of day 2, we'll play football, basketball, or soccer to see who the real athletes are.

- **3 Hours** Classroom and Personality Testing. All personality profiles are entered into a proprietary online system where coaches can see your personality traits.
- **Scouts** in attendance include representatives from teams in the USHL, NAHL, USPHL, CJHL, and NA3HL, among other junior teams, leagues, and colleges.

Mission Statement

Our mission through the CPGS Prospects Showcase is to provide the most thorough process of evaluating goalie talent and to give goalies the best possible chance to showcase their unique talents.

We strive to build relationships with all our Prospects Goalies, knowing that opportunities may not always surface immediately, rather down the road for many "late bloomers". Every goalie has their own path. Goaltender development is a process, and we want to be involved in that process and path

with our Prospects Goaltenders. This is not a 'one-and-done' showcase... we want to help you along throughout your career.

—CPGS Prospects Lead Instructor: Josh Aycock

Aberdeen Wings NAHL Goalie Coach

We fully endorse this camp. Not only do you receive great instruction, but Steve and his staff work very hard to place players with teams. We have taken goalies they recommend directly into our Fargo Force tryout camp (which is usually a week or two later).

—Cary Eades, Fargo Force USHL Head Coach

We are proud to support Steve Briere's Prospects Camp as we believe that it will help us evaluate the top talent available for our club. I would strongly recommend any goalie who is looking to play for our club attend.

—Scott Langer

Head Coach Aberdeen Wings NAHL

Message from Steve

Proof is in the Pudding!! Since introducing the CPGS Prospects Camp to the world 7 years ago we have produced over **125 Junior & College Goalies!** ***Why a goalie only Prospects Camp?***

I have been around the game for many years now and I have been to a lot of tryouts along the way. Everywhere I go coaches always say goaltending is the most important position in hockey. Yet we never give them the proper evaluation needed to really get to know them. We throw them into games and hope they get the shots needed to evaluate them. My goal for this camp is to give goalies the true evaluation and give them every opportunity they deserve to show what they can do. It is a prospects camp for goalies, ran by goalies, to help goalies make the jump to the next level.
